

Pick up/ Drop Off Traffic Flow

In order to ensure the safety of all those involved, we want to make sure that everyone is aware of the traffic flow for both morning and afternoon pick up/ drop off times. Please see the diagram below for the correct flow of traffic. Take care to make sure you are entering and exiting the parking lot correctly both in the morning and afternoon. We are aware that the car line can get backed up at the end of the day. If this happens and cars are in the street, please form additional lines in the church parking lot and be courteous of letting others in so that we do not hold up traffic. Thank you so much!
